CHRISTCHURCH FOOD FESTIVAL

Launched in 2000, the Christchurch Food Festival was run as a Community Interest Company (CIC) until 2019.

As well as hosting some amazing food and drink, the festival is a great open-air showcase of Christchurch, attracting vital tourism to the town and helping support the local economy.

August Bank Holiday 2021 was an epic return to form and we were delighted that the Christchurch Food Festival came back with such a bang with over 60,000 visitors enjoying the event. With a new look and layout, new fun features, great chefs and entertainment, everyone had a blast and now we are looking forward to 2022

As a team, we all love Christchurch and are committed to build on what is already a fantastic event, bringing people together in a beautiful town on the South Coast to share great food and drink.

PLATINUM JUBILEE DAY WEEKEND

Christchurch Food Festival 2022 will be an extra special celebration as this year we coincide with the moved June Bank Holiday for the Platinum Jubilee.

For the first time ever the Festival will take place over 4 days to include the new bank holiday from Thursday 2nd June to Sunday 5th June with an expected **80,000** visitors descending on the town.

For 4 days we take over Christchurch Quomps loaded with stalls brimming with local produce and delicious street food, stretching alongside the picturesque riverside setting of Christchurch Quay.

Next year we will have even more food, drink and entertainment in store with demos showcasing the best local chefs alongside some of the biggest names in the UK, live sheep at the Sheep Show and a special entertainment stage dedicated to the Platinum Jubilee.

CHEF DEMO THEATRE

including James, Dhruv and friends....

One of the highlights of the festival is the Chef Demonstration theatre and we welcome some top local and national chefs to share their culinary skills, and make your mouths water...this year we are delighted to welcome James Golding & Dhruv Baker who loved the festival so much last year they are coming back with some of their chef friends to have some fun entertaining the crowds.

THE SHEEP SHOW

The Sheep Show brings real live sheep to the festival with fun, educational and inspiring entertainment. It's a really popular draw for kids and adults alike and is a key way for us to help reconnect people back to where their food comes from.

Appearing at over 100 shows a year and in front of an estimated audience of 2.5 million people, this unique show has captured the hearts of many.

THE BEST PRODUCE AROUND

Our goal this year is to bring even more great produce and ingredients, representing the very best of what is available from the South and South West of England. There is a wealth of fabulous food and drink being produced in our 'back yard' by generally small and passionate businesses.

As we did in 2021, we aim to bring a unique experience of discovery for visitors so we select only the very best producers that we can find.

We will continue to bring together the best street food, craft beers, artisanal cocktails and wines to Christchurch as a key part of the visitor experience, but we also aim to create something different that people won't generally see anywhere else.

SUSTAINABILITY

As event organisers, we are acutely aware of the wasteful characteristic of our industry. That is why we are passionate about creating a world in which the next generation can survive, thrive, and enjoy the same environment we are fortunate to live in, particularly the beautiful seaside we call home.

- We use tech to communicate and take payments as much as possible, and organise travel & logistics throughout the whole event process so that car sharing, carbon-offsetting, local and combined trips for deliveries, and full loads are maximised.
- We partner with Event Cup Solutions to provide all cups and serveware committing to no single use plastic onsite, reducing litter and waste. We will use recycled One Planet One Chance cups for the event, with a full management model to ensure the messaging is clear.
- We only allow compostable or reusable plates and cutlery – including drinking straws. All cutlery must be made from FSC-assured wood.
- Disposable single-serving sachets, like those used for sauces or sugar will not be available.
- All of our bars are made from upcycled or recycled materials

DESTINATION MARKETING & PR

Our marketing and PR strategy is two-pronged. We will be aiming at all local media to promote the festival to a local and regional audience. We already know that the festival attracts huge coverage in local media and with the new exciting content and activities this is only likely to increase.

We also aim to put Christchurch and the festival on the map. We will be promoting Christchurch and the surrounding areas as a destination as well as the festival itself and of course we have a wealth of assets to throw at this.

“We’re Good To Go” is the official UK mark to signal that a tourism and hospitality business has worked hard to follow Government and industry COVID-19 guidelines and has a process in place to maintain cleanliness and aid social distancing.

TESTIMONIALS

"As Thoroughly Wild Meat Co we have traded at Christchurch Food Festival for more years than I care to remember. It's always had a lovely atmosphere and good food and drink but I think the 2021 festival hit a whole new level. A really amazing food trader line up, huge drink selection and lots and lots to see and, to cap it all, a lovely location. What more can you ask for?!"

James Smart, The Real Cure

"We have been very fortunate to work with Real Food Festival and Christchurch Food Festival in 2021, this being our first year at the festival we weren't sure what to expect with all the challenges that 2021 had brought to events and festivals. To our delight it was extremely well organised and well attended. We found new customers who are still ordering Biltong from us regularly. We look forward to returning in 2022."

Clive Peterson, Biltong Boss
